3	\$ 22.61		
4	\$ 25.06		
6	\$ 29.96		
8	\$ 34.86		

For customers with service not falling within A and B above, a specific rate will be determined based on four cost components as identified below:

Cost ComponentFormula

1. Disposal Monthly charge = \$1.96 per yard x size of container x
of dumps per week x 52 weeks) 12 months per year
2. Administrative \$16.77 per customer per month
3. Collection Monthly charge = \$5.89 per collection x # of collections
per week x 52 weeks) 12 months per year
4. Container \$3.19 per dumpster per month

Rates for customers located outside the City limits are calculated in the same manner as rates developed for customers located within the City, however, a multiplier of 1.25 shall be applied to the four cost components.

C. Commercial establishments shall be charged for cleaning and painting of commercial dumpsters for excessive wear and tear as follows:

Dumpster cleaning \$45.00

Dumpster cleaning and painting \$85.00

Dumpster cleaning and painting when burned \$185.00

Dumpster emptied due to placement of large item (i.e. furniture) \$30.00

D. Open top roll-off monthly rate structure:

Frequency	City Customers	Outside City Customers
-----------	----------------	------------------------

Per Week	Fixed Cost +	Per Ton Disposal	Fixed Costs +	Per Ton Disposal
1	\$ 381.35	\$ 60.65	\$ 476.69	\$ 75.81
2	\$ 644.19	\$ 60.65	\$ 805.24	\$ 75.81
3	\$ 907.03	\$ 60.65	\$ 1,133.79	\$ 75.81

4	\$ 1,169.87	\$ 60.65	\$ 1,462.34	\$ 75.81
Extra pickup (1)	\$ 100.41	\$ 60.65	\$ 125.51	\$ 75.81
Call in (2)	\$ 215.63	\$ 60.65	\$ 269.53	\$ 75.81
Stand-by (3)	\$ 215.63	\$ -	\$ 269.53	\$ -

For customers with service not falling within the rate structure outlined above, a specific rate will be determined based on four cost components as identified below:

Cost ComponentFormula

1. Disposal Monthly charge = \$60.65 x tons per collection x # of collections per week x 52 weeks) 12 months per year
2. Administrative \$85.18 per customer per month
3. Collection Monthly charge = \$60.66 per collection x # of collections per week x 52 weeks) 12 months per year
4. Container \$33.33 per roll-off container per month

Rates for customers located outside the City limits are calculated in the same manner as rates developed for customers located within the City, however, a multiplier of 1.25 shall be applied to the four cost components.

E. Compacting roll-off monthly rate structure:

Frequency	City Customers	Outside City Customers
-----------	----------------	------------------------

Per Week	Fixed Cost +	Per Ton Disposal	Fixed Costs +	Per Ton Disposal
Scheduled	\$ 145.84	\$ 60.65	\$ 182.30	\$ 75.81
Unscheduled (4)	\$ 182.30	\$ 60.65	\$ 227.87	\$ 75.81
Extra pickup (1)	\$ 102.28	\$ 60.65	\$ 127.85	\$ 75.81

Extra Charges per Dump:

Repositioning	\$ 121.31	
---------------	-----------	--

Rate design for the compactor roll-off containers is similar to the rate design for the open-top roll-off containers, with one primary exception. The rate design for compactor roll-off containers does not include a cost for containers since the customers own their own containers. Rates for customers located outside the City limits are calculated in the same manner as rates developed for customers located within the City, however, a multiplier of 1.25 shall be applied to the four cost components.

F. Footnotes:

1. Extra pick-up: Charge for servicing a roll-off one extra time. This charge applies to customers on a regular schedule and to customers who are on a call in schedule. For customers on a call-in schedule, the extra pickup charge will only be applied to the second and subsequent collections during a month.

2. Call-in: This charge is for customers who do not have regularly scheduled service, but do request service during the month. This charge only applies to the first collection during a month. Following collection charges will be based on the extra pickup rate.

3. Stand-by: This charge is for customers who do not have regularly scheduled service, and do not request service during a month.

4. Unscheduled: This charge is for customers who do not have regularly scheduled service, and do not request service during a month.
